OPTIMUM BODY HYGIENE WITHOUT USING WATER

Our Soldiers can maintain optimum levels of body hygiene anytime, anywhere without the use of water.

Clensta Waterless Body Bath keeps soldiers protected against all body infections including itching, dryness and body odour, thereby assisting the soldier in performing his duty in a better way by keeping himself healthy.

COMPREHENSIVE HEAD HYGIENE WITHOUT USING WATER

Our soldiers deployed in water scarce areas are unable to maintain their head hygiene and considering they have to keep their head gear on at all times, it may cause concerns like itchy scalp, dandruff and hair fall.

Clensta Waterless Shampoo helps the soldier maintain their head hygiene without the use of water.
